Australia's Most Popular XP-Tech Series — More Space, More Adventure.

✓ QUEEN ISLAND BED WITH LIFT-UP STORAGE ✓ 800W SOLAR

✓ COMPOSITE FIBERGLASS FRAME ✓ ELECTRIC CAREFREE AWNING

OVERVIEW

Compact. Capable. Complete.

Are you on the hunt for a more spacious family bunk caravan? The Stormbreaker 21'6" XP-Tech is the solution — offering all the remarkable features of the 21'6" elevated with full composite XP-Tech construction, Victron power management, 800W solar, and Raptor-coated protection. When you hit the open road, you'll enjoy an exceptionally roomy layout with all the amenities of a luxury RV.

 **QUEEN ISLAND BED WITH LIFT-UP STORAGE ORIENTATION**

 **2 BUNKS — 2.1M EACH**

 **FULL OFFROAD IND. 3.5T (AIRBAG READY)**

 **SLEEPS 4-5 — IDEAL FOR THE WHOLE FAMILY**

 **DIESEL HEATER** **400AH LITHIUM BATTERIES**

The island bed with lift-up storage is the clever space-saving secret that lets this compact 21'6" van accommodate queen island sleeping, two full bunks, and a split bathroom — all without feeling squeezed.

KEY FEATURES

Built for Families. Built for the Road.

01

SMART SLEEPING LAYOUT

Queen island bed with lift-up storage for the parents, plus two spacious 2.1m bunks with windows for the kids. Sleeps 4–5 comfortably in a spacious 21'6" footprint.

02

OFFROAD ENGINEERED

Full Offroad Independent 3.5T (Airbag Ready) suspension, 16" alloy wheels with heavy-duty offroad tyres, 12" electric brake system, and Raptor coated protection front, sides and rear.

03

SOLAR POWER SYSTEM

800W of solar (4 × 200W panels) keeps you powered off-grid. Backed by 2 × 200Ah lithium batteries.

04

EFFICIENT APPLIANCES FOR OFF-GRID

Full-size 188L Dometic compressor fridge & brushless reverse cycle aircon, Oven (3 x Gas | 1 x Electric Burner and Grill or Induction), and 25L Microwave for effortless meal prep and a Washing machine

05

SPLIT BATHROOM

Separate shower and toilet for practicality on the road. ABS lightweight shower, Thetford toilet, and an external shower for rinsing off after adventures.

06

OFF-GRID LIVING

Victron 3000W inverter management system with Cerbo GX 70 display, 2 × 30A MPPT, 30A DC-DC with 400Ah, LED lighting throughout, USB charging, wireless multi switches, bug lights, reverse camera, and front/rear LED light bars & fans

XP-TECH TECHNOLOGY

Innovative. Timeless. Tough.

XP-Tech panels are advanced sandwich-structured composites combining a fiberglass-reinforced plastic surface with an XPS foam core. Unlike aluminium panels, they resist dents. Unlike wooden frames, they are moisture-resistant — no rot, no leaks. A caravan built for generations.

LIGHTWEIGHT

XP-Tech composite panels are designed to be lightweight — easier to tow, compatible with a wider range of vehicles, and more payload capacity for your belongings.

WATERPROOF & ROTPROOF

Built using seamless one-piece construction, minimising water leak risk. The ultimate solution for long-lasting protection against Australia's harsh conditions.

NOISE INSULATION

Superior acoustic properties significantly reduce sound transmission from inside and out — creating a quiet, relaxing atmosphere whether in a caravan park or the outback.

THERMAL INSULATION

Superior thermal efficiency helps maintain cooler interiors in summer, warmer in winter — reach your ideal temperature faster

SUPERIOR STRENGTH

CFRT skins use thermoplastic properties laminated with continuous fiber-reinforced unidirectional tapes — unparalleled

COST EFFECTIVE

Lighter construction reduces fuel consumption for your tow vehicle — saving you money on every trip while minimising your

using less energy,

OUTDOOR LIVING

Life is Better
Outside.

The Stormbreaker's exterior setup means you're ready to set up camp the moment you arrive. An entertainment locker with TV bracket, 12V and 240V points and antenna connection lets you settle in fast. A fold-out picnic table and external shower make settling into camp easy — rinse off after a big day and enjoy the outdoors in comfort.
